Morning Drop off and Pick Up

Children will be dropped off and collected from the courtyard area at the rear of the KS1 building. Unfortunately, parents will be unable to enter the building. Only one parent should bring their child to school and we recommend parents should wear a mask. We would ask parents to leave the yard quickly once your child goes into class.

The area has been divided into two coloured zones- yellow and blue.

In the morning

The children are to be brought to the courtyard behind the KS1 building at 8.50.

Please do not come early as your child will only be called forward at the designated time.

You should line up with your child at 8.50 in the Blue zone

A member of staff will call your child forward and bring them into the classroom where the teacher will be waiting for them.

Pick up in the afternoon: Please do not come early

Parents should wait in the Blue zone at 1.30 on a Monday and 1.45 Tuesday to Friday.

The teacher will bring your child to the zone at the designated time and send them to you.

Restart details

Your child will start back to school on the 2nd September.

They must not bring any educational resources from home including a school bag or pencil case. They should bring in tissues and a soap dispenser

Children may bring in a coat, healthy break and a bottle of water in a labelled lunchbox, inside a plastic bag. Unfortunately, forgotten breaks and lunches will not be able to be sent to the classrooms.

If your child is on free dinners a packed lunch will be provided initially. Paid lunches will be available. If you are not on the Free School Meals Register you will need to send in a packed lunch or pay for a lunch (£2.60). Hot meals will be provided from the 14th September. **If you have not applied for Free Meals yet it is essential that you do so as a matter of urgency as unfortunately we will be unable to provide your child with a lunch until they are on the Register. Forms are available from the school office.**

We are recommending that children wear their uniform on a Monday, Wednesday and Friday and PE uniform on a Tuesday and Thursday to enable parents to wash the uniform but this is only a recommendation and we understand some parents want their child to wear their uniform on the first day back. Any children using medication such as inhalers should bring them to school on the first day in a labelled bag and they will be stored securely and should remain in school

If your child has struggled during the lockdown and you would like your child referred to the school counsellor, please contact Mrs Boyd.

Morning Drop off and Pick Up

Children will be dropped off and collected from the KS1 yard. Unfortunately, parents will be unable to enter the playground and must remain outside the perimeter fence. Only one parent should bring their child to school and we recommend parents should wear a mask. We would ask parents to leave the grounds quickly once your child goes into class.

Each class has been allocated a designated time and gate A, B or C to enter and exit the KS1 yard. A member of staff will be positioned at each gate and they will bring your child into the yard. There will be an additional two adults at the doors to the KS1 building. They will lead your child into the building and your child will go to class where the teacher will be waiting.

In the morning

Please do not come early as your child will only be called forward at the designated gate.

Parents and children in P4JW should line up at 8.50 at the right hand side of Gate C

A member of staff will call your child forward and bring them into the classroom where the teacher will be waiting for them.

Pick up in the afternoon: Please do not come early

The pupils will be escorted to the gate by the class teacher.

Parents should wait at the right hand side of Gate C at 1.45 on a Monday and 2.30 Tuesday to Friday.

The teacher will bring your child to the zone at the designated time and send them to you.

Restart details

Your child will start back to school on the 2nd September.

They must not bring any educational resources from home including a school bag or pencil case.

They should bring in tissues and a soap dispenser

Children may bring in a coat, healthy break and a bottle of water in a labelled lunchbox, inside a plastic bag. Unfortunately, forgotten breaks and lunches will not be able to be sent to the classrooms.

If your child is on free dinners a packed lunch will be provided initially. Paid lunches will be available. If you are not on the Free School Meals Register you will need to send in a packed lunch or pay for a lunch (£2.60). Hot meals will be provided from the 14th September. **If you have not applied for Free Meals yet it is essential that you do so as a matter of urgency as unfortunately we will be unable to provide your child with a lunch until they are on the Register.
