The children look forward to these well deserved trips after all their hard work this year.

### POETRY EVENT

In May every child in the school took part in a Poetry Recital. Every class performed two poems for their peers in their Key Stage. It is an very enjoyable annual event and as well as helping the children develop a love and interest in poetry, it also helped to raise valuable funds for our school. We will use the money raised to purchase additional books for the school. We would like to thank Mr Armstrong for organising it, the children for learning the poems, the staff for making it such an enjoyable event and the families and people in the parish for sponsoring the event.

### PRIMARY SEVEN PUPILS

The management and staff of Holy Trinity would like to take this opportunity to thank the P7 pupils for their wonderful contribution to the school over the past seven years. They are a credit to the school and their families. We would like to wish them the very best in their new school and for the future. We genuinely care for the children and we always want to hear how they are doing. Please let us know how they progress in the future and once again parents thank you for the support you have given the school.

### END OF YEAR SHOW

This year the P7 pupils are performing an end of year show, The Wizard of Oz. These performances will take place at 7.00p.m on the 18<sup>th</sup> and 19<sup>th</sup> June. Due to health and safety admission is strictly by ticket only and there will not be room in the hall for buggies. The children have been working hard and it should be spectacular.

### SUMMER SCHEME

Parents will be pleased to know that we are running the Summer scheme again this year for our current P4 children. The scheme will run from the 1st July to the 18<sup>th</sup> July from 9.30-12.15 daily. Once again we will work closely with Bombardier and the main topic of the scheme will be Flight. As well as working on literacy and numeracy the children will take part in a range of fun activities such as PE, games, Board games, Art and Craft activities etc. We have also planned a range of trips including a trip to Cultra, W5, cinema, Bog Meadows etc. We have also engaged the services of an artist and kite and plane model makers to work with the children. The scheme is staffed by qualified teachers and assistants from the school. Children will also have the opportunity to take part in a flight over Belfast. If your child is currently in P4 and you would like them to attend the scheme please complete the permission slip and return it to Mrs Boyd at the school.

### NEW PRIMARY ONE PUPILS

Holy Trinity held the Induction day for parents of new pupils who are coming to the school in September. This year we have ninety P1 pupils coming here from a range of nursery schools including St Martins, Matt Talbot, St Bernadettes, Ardmonagh, Newhill, St Teresa's, local Irish nurseries and many more. While many schools are losing numbers we are very fortunate to be a growing school. Like last year we will have four P1 classes staffed by enthusiastic and highly experienced teachers and assistants. We are very proud of the school, our pupils and parents and of the academic and sporting achievements we have achieved. We would like to thank the parents and community for their continued support.

**Do you need local, quality, award winning Childcare for your children of primary school age?**

Then the Society of St Vincent dePaul in Norglen Gardens will meet your needs.

We offer a year round Out of School's service based on the principles of Playwork with homework supervision and support and a full summer programme of activities and trips to keep your children meaningfully occupied during their time with the project.

We also provide activities for parents, grandparents and younger children throughout the year.

For further details please contact Kay or Sonya on 90601903.
