Important Dates

Communion – Saturday 13th May at 11:00 am in Holy Trinity Church

May Holidays The children will finish school on Friday 26th May (normal school day) The school will reopen on Monday 5th June.

by the iTeach team. The children had the opportunity to develop their problem solving skills while working in a collaborative and challenging learning environment.

Over 150 children attended and we were delighted to welcome teachers and pupils from over 15 schools across Northern Ireland. The children programmed the sphero during a science experiment, exploring friction and making predictions. They explored angles and direction during a Maths lesson. They were creating 2 D shapes and debugging with the Tynker app. They also participated in some logical thinking, mapping routes and making decisions. A fabulous day!

P1 Fun

P1RD and P1GD will be performing their assembly on Thursday 4th May. It is all about New Life in Spring!

All 4 P1 classes are attending 6 weekly sessions of Fundamental Movement Skills with Emma, every Tuesday, beginning on 25th April. They are having great fun learning their new skills

iCode

Holy Trinity were delighted to be the hosts of a special one day iCode day on Coding and Programming on 4th April. Our Digital Leaders played a huge part in this and we would like to thank them for their help. The workshops ran throughout the day to celebrate iCode week and were delivered

Lost Property

Every week we find school jumpers, jackets, PE gear etc that have left behind by pupils. Even though we send clothes around the classes many items are left unclaimed. We would ask parents to please ensure that all clothes have the child's name written on the label.

Sentinus Primary STEM challenge

Six of our pupils went to St Teresa's Primary School to enter the Sentinus Primary STEM challenge on Monday 10th of April. The challenge was a design and build problem-solving activity, for teams of three P6/P7 pupils. Each team was supplied with basic technology materials, given a brief and a set time to find a solution to the problem. The children acquitted themselves extremely well and displayed fantastic teamwork, analytical skills and superb manners. The pupils were: Ethan McCusker, Joshua Lavery, Rhianna Smylie, Paul McNerlin, Daniel Armstrong and Matthew Kerr.
