First Holy Communion Enrolment Ceremony

On the 21st November the Primary Four children took part in their Enrolment Ceremony for their First Holy Communion. Some children were selected to read out the Prayers of the Faithful and they were wonderful and the beautifully sang hymns made for a lovely ceremony. We are very proud of the children and cannot wait to celebrate their big day on the 12th May.

P4 Commit to be Fit

The Primary Four children were visited by the Chest, Heart and Stroke charity to teach them how to Commit to live Fit. They had great fun learning about healthy lifestyle choices, such as healthy food, exercises and when to rest.

Assemblies

November is Anti Bullying month. Mr Armstrong and Mrs McKinney's children performed their Anti Bullying Assembly for the KS2 children, while Miss Owens and Mrs Carabine classes performed for the KS1 children. The assemblies were brilliant and taught the children a very important message!

Digital Leaders

This year's new digital leaders were chosen and they were put straight to work! The children alongside Mrs Rooney and Mrs Boyd visited the Apple Store this month and used the app Garage Band to create some fantastic music loops.

P5 Pizza Express Trip

Some of the Primary 5 classes visited Pizza Express this month. They had a fun learning about the ingredients and how to make the pizzas but they had even more fun eating them back in class! Yum!

Holy Trinity Hurling and Camogie Victory

On Friday 10th November our Primary 5 Hurlers took part in a Hurling Tournament held at our school pitch. They played against St Michael's and St Clare's. There were 14 children, both boys and girls representing Holy Trinity and on a very cold afternoon they came away extremely pleased. Their hard work at the Thursdays training sessions with the Coaches from Gort na Mona is clearly paying off. The children showed great skill and determination, and won all their matches. Keep it up!

Holy Trinity is on Twitter

This year our school has signed up to Twitter. It is a great way for parents and family to see all the exciting things that the children are up to in school. It is also great to get updates and alerts about events and information.
